

**Asia-Europe Meeting**

**the ASEM Education Secretariat**

# **Draft ASEM Education Vision, Mission and Strategy 2030**

**VISION**

The ASEM Education Process strives for a more **tolerant, prosperous and sustainable Asia-Europe region** by preparing the education sector for current and forthcoming global challenges.

**MISSION**

By **2030**, the AEP will be an **advanced transregional dialogue and cooperation platform** to promote **inclusive and equitable quality education and training** through an **equal and mutually beneficial Asia-Europe partnership**, leveraged by **people-to-people connectivity**.

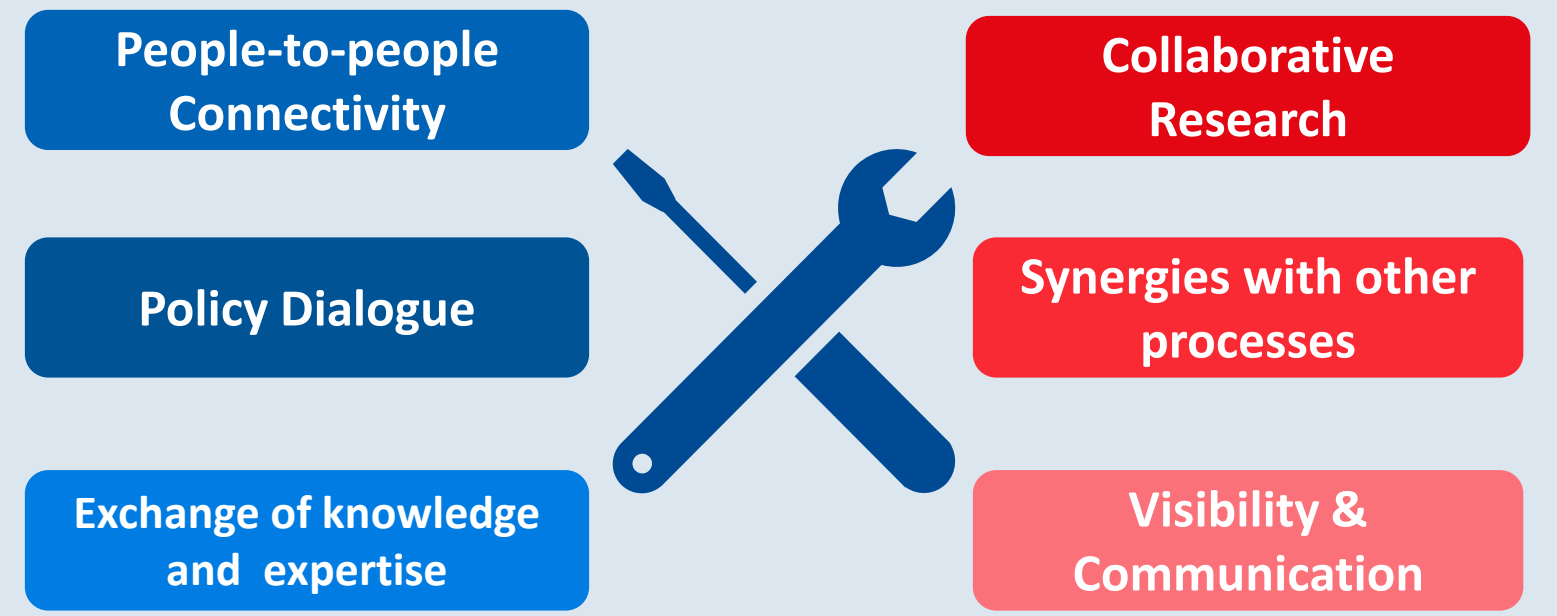

WHAT?

**STRATEGIC OBJECTIVES**

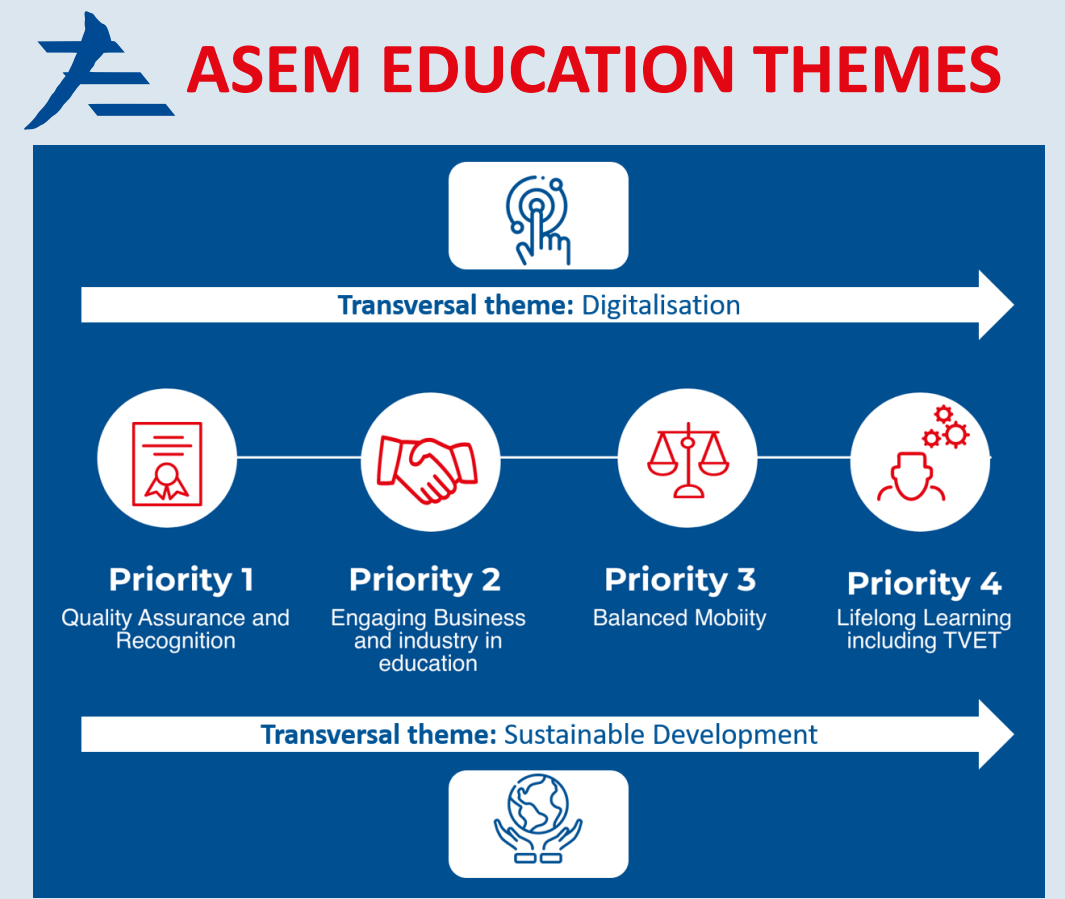

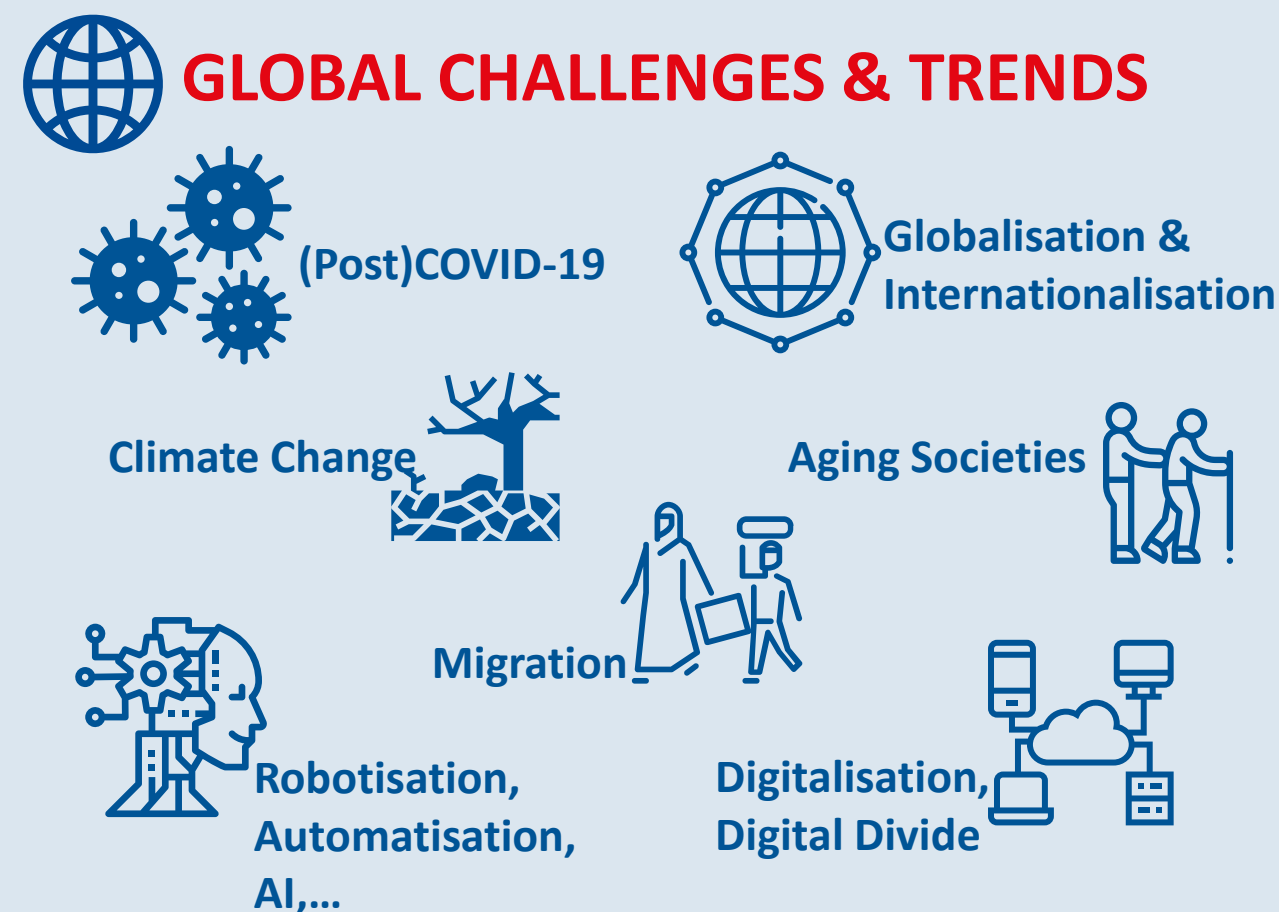

- 1 Creating more transparency & mutual understanding
- 2 Enhancing connectivity between Asia and Europe by boosting mobility and exchanges
- 3 Fostering transversal skills
- 4 Promoting Lifelong Learning including TVET

HOW?

**INSTRUMENTS & WORKING METHODS**

FOUNDATION

# Strategic Objectives

## 1 Creating more transparency & mutual understanding on Recognition, Validation and Quality

To Support and Promote Interregional Cooperation, Mobility and Exchanges

To Support and Promote Flexible Learning Pathways

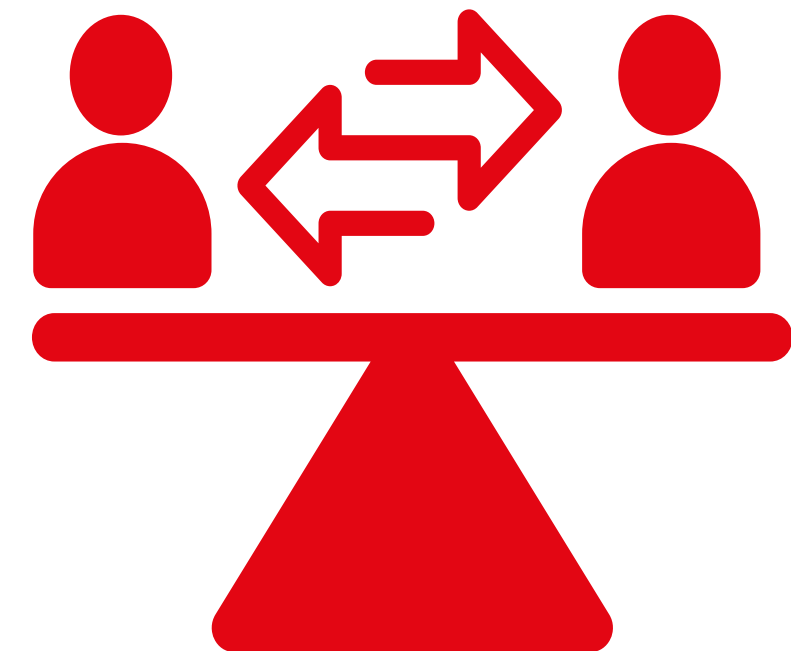

## 2 Enhancing connectivity between Asia and Europe by boosting inclusive and balanced mobility and exchanges

To strive for Inclusive Exchanges

To Stimulate Balanced Exchanges and Mobility

To Promote and Support Virtual Mobility and Exchanges

### 3 Fostering Transversal Skills

Description of Transversal Skills: UNESCO definition

Global Citizenship & Education for Sustainable Development

Digital Skills

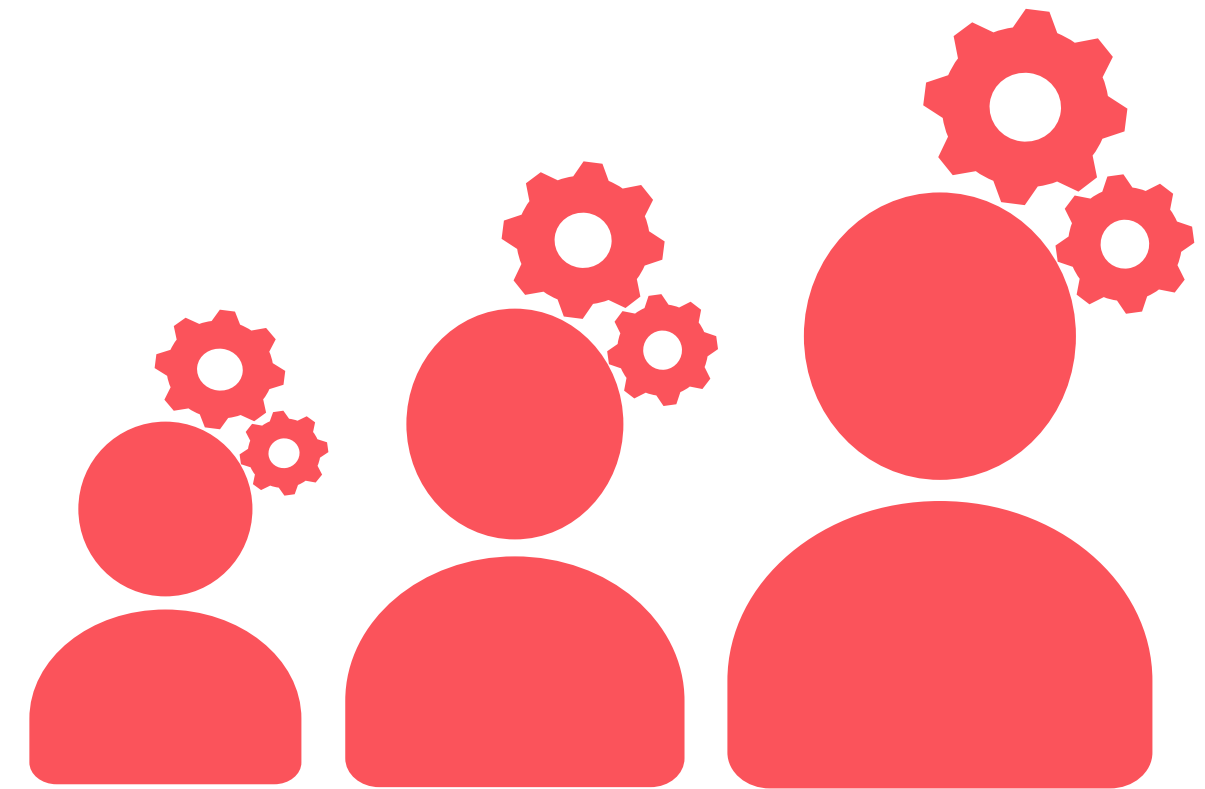

4

## Promoting lifelong learning (LLL) including TVET

To Raise the Profile of LLL and TVET

To Collaborate with Business and Industry

# **Instruments and Working methods**

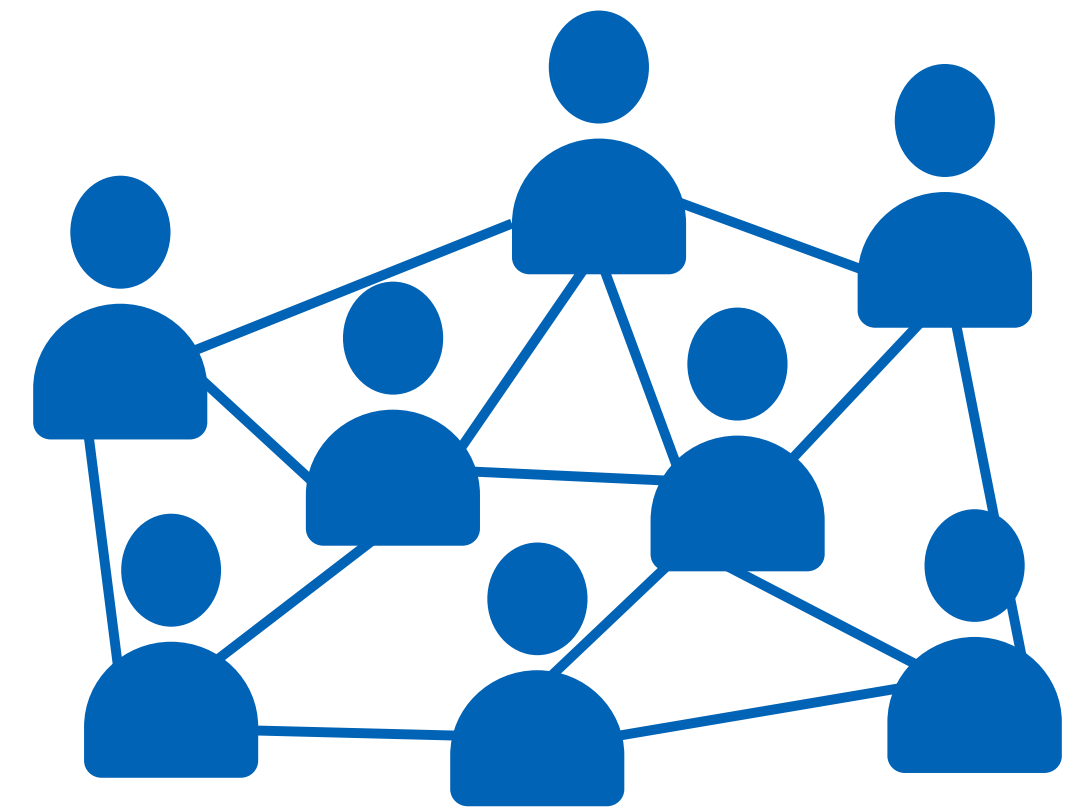

## People-to-people Connectivity

Promote people-to-people connectivity between Asia and Europe

To strengthen personal and structural relations to build lasting relationships and partnerships

Common interests and joint endeavours

## Policy Dialogue

Informal Platform for policy makers

Interaction between policy makers and stakeholders

More systematic exchange with the overall ASEM Process

## Exchange of Knowledge and Expertise

Diversity as a strength

Knowledge, expertise and research pooled

Inspirational models, pilot projects and experimentation for innovative policies and practices

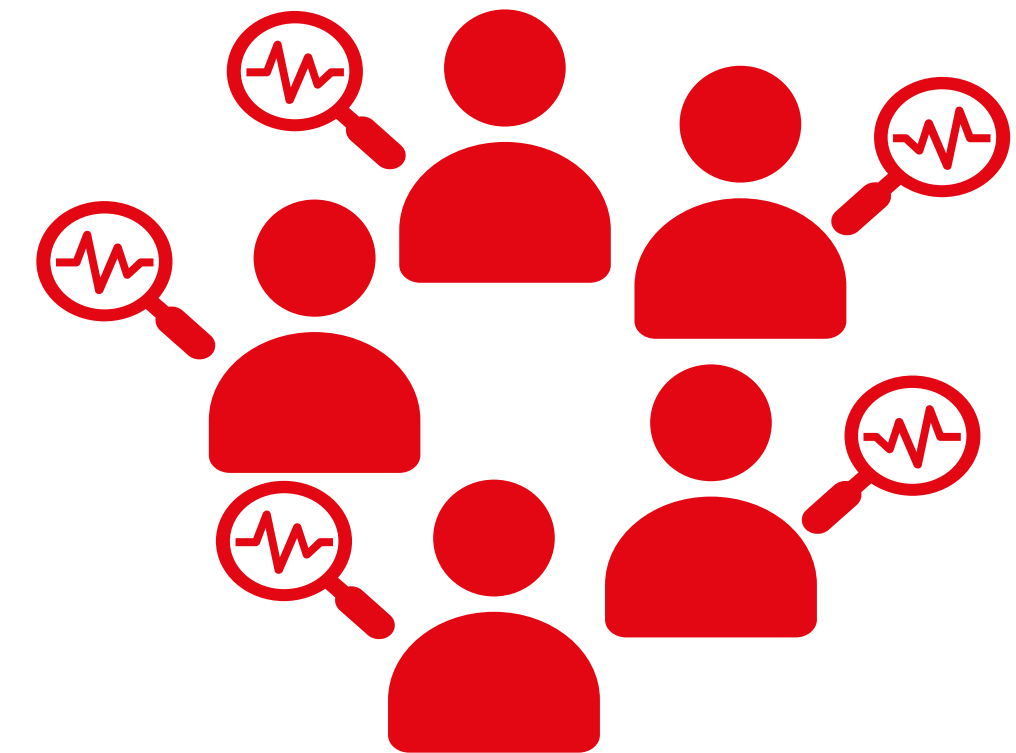

## Collaborative Research on Education and LLL

Common innovative answers and solutions to educational challenges.

**Policy recommendations** to make informed decisions

**Connecting** researchers and innovators from Asia and Europe

## Synergies and Collaboration with Other Processes and Organisations

To avoid duplication, to pool resources and to establish more systematic collaboration

Joint projects and initiatives

For example with: EU agencies, UNESCO, Bologna Process, ASEAN +3, APEC,...

## Communication & Visibility

Encouraging more partners to contribute & to create a **multiplier effect**

**Demonstrating AEP's relevance** by disseminating success stories & good practices

**New formats and tools** for communication of good practices

# Tentative timeline
