Dialogue on sharing best practices and future perspectives in TVET

Some messages from Latvia...

TVET Seminar in Latvia: good practices shared...

- ✖ **Developing a vocational pathway approach or LLL approach**
 - ✖ from initial VET over VET in HE and Continuous VET
- ✖ **Modularisation: building blocks**
- ✖ **Flexibility in learning provision:**
 - ✖ classroom, distance, work placement, transfers between pathways
- ✖ **Validation and Recognition system**
- ✖ **Sustainable collaboration with enterprises, sectors and industries**

TVET Seminar in Latvia: some future perspectives...

- ✦ Improving reputation of VET
- ✦ Joint Qualification programmes and teacher training modules
- ✦ No project approach but systemic TVET reforms
- ✦ Internationalisation and mutual learning within TVET and about TVET
