

# Hotel and catering high VET schools of France

Our network and the projects we  
lead at European and international  
level...

## **Some ideas, on which I would like to share with you...**

- Why did these schools decide to build up a national network for setting up international cooperation projects?
- What means international cooperation?
- What are we trying to build with our partners in China?

# Hotel & catering high VET schools of France

56 Public High VET Schools: around 30,000 students

Quality label « Lycée des métiers »

Training offer: EQF level 3 to level 6

Sectoral schools for Hotel, catering and tourism

## **Added value of being member of the network**

- To offer a larger scope of opportunities to their students
- To offer a larger scope of opportunities to their partners
- To save time and money/supporting funds from AGEFA PME and Ministry of Education
- To be more visible
- To work in a more coherent and efficient way

# Services provided to members

- Design of a common webplatform
  - Providing relevant information for potential partners abroad
  - Tools for sharing experience between members
- Assistance and expertise for setting up partnerships
- Common communication tools
- Sharing internships opportunities and
