Experience

① General Education

② “Art for All” Course

“Art for All”

One blind person who cannot see has a mouth to speak

One deaf person who hears no sounds has eyes to see

One person without arms or legs still has a brain to offer

**One person, intellectually challenged, has a strong,
tireless body to give**

**One other person brings them all together,
in a spirit of friendship, to form one mind, one heart**

“Five People Together Make for One Genius”

“Art for All”
