Hosted by University College Cork, Ireland <https://asemlllhub.org/>

The Mission

LLL research that addresses the complexities of contemporary society.

Address ordinary people and global challenges.

LLL from basic education to advanced skills and knowledge

How to live with each other in a changing world

How to live our lives better.

LLL the essential paradigm in unpredictable world of technology, climate, migration, security and global health

LLL learning not linear, divided into phases, having exit points and conclusions.

Collaboration and partnership building a key mission

Generate evidence to understand current trends and influence future directions

Statement of Intent

1. Contribute to ASEM Education Process as LLL is one of four strategic objectives of ASEM Education Strategy 2030.
2. Oriented by a collaborative approach.
3. Cognizant of SDGs, global challenges, policies and international commitments .
4. To thrive in a carbon-neutral, digital age; widen people's opportunities and improve their well-being.
5. Prepare people to deal with increasing complexity and unpredictability.
6. Revision of the Delors Report (4+1)
 - a) learning to live with others.
 - b) learning to know, learning to do, learning to live together and learning to be.
7. Seek strategic partnerships to disseminate results, reports and other outcomes as widely as possible.
8. Strategic alliance with ASEF.
9. Be a consultancy resource for governments etc.
