# **Stocktaking Report**

**2022-2024**

## What is the Stocktaking Report?

1. It is intended to give an **overview of activities and projects** which enhance cooperation and take the ASEM Education Process forward.
2. It is the **main instrument for monitoring the implementation of the ASEM Education Strategy** and progress of activities in line with the **Action Plan 2030**. Senior Officials and stakeholders are expected to actively contribute to this report by providing updates on their on-going activities to the AES.
3. The Stocktaking Report 2024 will lay out the **outcomes and progress of the ASEM Education Process (AEP) between the two Ministerial Meetings (ASEMME8 and ASEMME9)** and will present new and future activities for the next biennial.

## Who drafts the Stocktaking Report?

1. The ASEM Education Secretariat (AES) drafts the Stocktaking Report, based on:
  - ✓ The input from ASEM countries and stakeholders on the state of play of their activities, especially the ones mentioned in previous Chair's Conclusions and Stocktaking Report;
  - ✓ Expert Groups' activities
  - ✓ Commitments and priorities for the next ASEMME;
  - ✓ The results of the ISOM 2022 and SOM 2023;
  - ✓ The recommendations and outcomes of the ASEM Expert Groups, seminars and/or conferences.
2. The ASEMME9 host (Malta) and the Standing Working Group (SWG) are consulted regularly
3. The ASEM countries and stakeholders revise and contribute to this Report
