ASEM Expert Group Digitalisation

Overview:

- Expert Group established in 2019, since then coordinated by the German Academic Exchange Service (DAAD)
- Promotion of exchange on the potential as well as the challenges of digitalisation in education in Asia and Europe
- Platform for dialogue and exchange on digital transformation in the ASEM Education Process, ensuring that the dialogue between the two regions addresses current and future innovations and transformations in education

ASEM Expert Group Digitalisation

Structure and Activities:

- Group members are identified and recruited by each ASEM member state or stakeholder
- For example:
 - Academic experts (HEIs and research)
 - Digitalisation experts from governments or NGOs involved in education
 - Representatives of student bodies
- Meetings follow a peer-learning approach to enable exchange across a range of digitalisation topics
- The aim is to strengthen collaboration and connectivity by identifying, sharing and promoting good practices of digitally enhanced education cooperation between Asia and Europe
